- Tip #1 Before Round Get Course Scorecard and Write-In the Par for Each Hole on This Sheet
- Tip #2 To Determine Length as Played.. Calculate Distance From Scorecard -vs- Tee Marker Position  
 Most Distances on Scorecards are From the BACK EDGE of the Tee Area But to Make Sure Please Check with the Course
- Tip #3 You Can Figure Driving Distance After Round by Subtracting Distance to Green from the Length as Played
- Tip #4 Fold this Sheet 1 Time Width and then 1 Time Height for Ease of Use on Course or to Clip on Golf Cart Steering Wheel
